INSPIRING WORDS FROM THE PACE SETTERS

Shri Punam Suri
President DAVCMC

The amazing accomplishment in the CBSE Board Results 2026 is one more step forward in the journey of DAV schools. The ability of DAVs to relentlessly seek innovative ways to teach, find solutions to challenges, and inspire students to improve the world is the key to this success — and to the many more that will follow! I congratulate the students, Principal, faculty members, and parents of DAV Pushpanjali on this remarkable result. After so many early mornings and late nights of hard work and dedication, our students have truly earned this achievement. The determination, thoughtfulness, and ambition they have shown have brought them this far — and I know there are many more amazing milestones ahead.

Keep it up!

DAV students are a perfect example that when they set their minds to something, they can achieve anything. Heartiest congratulations to all the students on their outstanding scores in the CBSE Board Examinations 2026, and for elevating the legacy of DAV schools to even greater heights. With DAV schools effectively operationalising NEP-2020, our students are being shaped into confident, capable citizens who will play a meaningful role in the growth and progress of our nation. The astounding result of DAV Public School, Pushpanjali Enclave, is truly a feather in the cap. I congratulate the Principal, faculty, parents, and above all, the students for this wonderful achievement.

We are especially proud of our students with learning disabilities, whose remarkable performance is an inspiration to all.

Dr. Nisha Peshin
Director (P.S III)
DAVCMC

Sh. Ram Paul Sharma
Chairman
DAV Pushpanjali

Congratulations on reaching this significant milestone. It is a reflection of DAV Pushpanjali's commitment and hard work. Schools are essential institutions fostering holistic development, acting as 'a home away from home' that provides a structured environment for academic, social, emotional, and physical growth. DAV Pushpanjali's CBSE Board performance is an important indicator of its consistent efforts towards the overall welfare and growth of its students. "Bravo" Your dedication has led to fantastic results — keep shining! Heartiest congratulations to the Class of 2023-26!

Every child at our school is equipped with a toolkit of concepts, skills and knowledge and values, which they can shape into endless possibilities. A child learns in many ways - questioning adults, collaborating with peers, and experiencing the world through his or her unique perspective. We transform these ways of learning into a meaningful and relevant methodology. In a dynamic world, this kind of learning impacts individual growth as well as global consciousness. I am happy to congratulate our students for excelling with flying colours.

Sh. Baldev Mahajan
Vice Chairman
DAV Pushpanjali

Mrs. Sneh Verma
Manager
DAV Pushpanjali

The role of the school is to enable the development of young personalities into responsible and capable members of society, which implies the educational aspect — adoption of general theoretical and professional knowledge, as well as societal norms, attitudes, and values. DAV Pushpanjali is a perfect example of a good school, and one such testament is the CBSE Board result of Classes X and XII. It is truly heartening to see the encouraging scores of our students. The role of the school Principal and faculty is integral to this progress. I am also very happy to congratulate the parents and above all our students for their outstanding performance!

INSPIRING WORDS FROM THE PACE SETTERS

Dear Readers,

Our students have once again achieved remarkable results in both Classes X and XII.

It has been so encouraging to witness the growth of our students as individuals with enhanced confidence, faith, knowledge and understanding during their time at DAV Pushpanjali. Our students are delightful young people whose perseverance and hard work in facing the challenges of the Board Examinations has been exceptional. This result is a tremendous feat in itself and has set the momentum for their future progress and wellbeing. We hope that they will apply their intelligence, skills, knowledge and innovative ways of thinking to the welfare of the local, national and global community. Parents, this success is dedicated to you as well. It is your unwavering belief in us as well as in your children that inspires us to shape their young minds and transform them into dreamers, achievers and performers. I am also incredibly proud of my faculty members and congratulate each and every one of you for this result.

I wish the Class of 2025-2026 all the very best for the future.

Mrs. Rashmi Raj Biswal
