The faculty and the students of DAVs have the ability to do and the intention to deliver. This ingrained positive desire to work and deliver brings good results as the one obtained during this session's CBSE Results. Students of DAV Pushpanjali have performed very well, and it is time to cheer for them! Formal education taps the latent abilities and opens up an altogether different world. Education has enormous transformative power for any given crisis. Everyone deserves the best start in life, and that won't be possible without the quality education imparted at DAV Schools. I congratulate the Principal, Parents, faculty and above all the dear students for such an enthralling result!

An important mission of DAV Schools is to attract and nurture exceptional students from all backgrounds to develop and serve a meritocratic India in the future. DAV Pushpanjali is a very progressive school, and the same has been proven once again by this year's astounding CBSE board result. Education cannot be restricted to a single period of one's life. Everyone must be entitled to lifelong learning opportunities for employment/career perspectives, as well as for personal knowledge and development. DAV Pushpanjali's Principal and faculty are immensely capable to transform their students into academicians and professionals. Their results speak for themselves. Congratulations and keep it up!

I feel proud and delighted to see class - X results (2023-24). I congratulate the students and parents for their efforts and, of course, the faculty that serves as the major backbone.

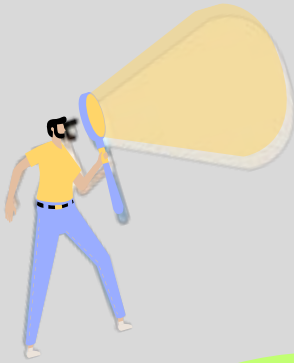

DAV Pushpanjali envisages a holistic and balanced education based on sound intellectual, physical, moral and social transformation. Special stress has been laid on the character formation and development of personality. The aim is to make students erudite, patriotic, law-abiding and ceaselessly seeking excellence, with a deep concern for all, especially the weak and the poor sections of the society. Whatever you have learned from this institution and in Class X will enable you to be a responsible senior in Class XI. Best wishes!
