

HOLIDAYS HOME WORK CLASS-6 2025-26

SUBJECT	Homework
ENGLISH	<p>Reading Assignment Book : Heidi by Johanna Spyri Note : An MCQ test will be taken for reading bonus after the vacations.</p> <p>2. Project: Festivals Around the world Research and present a festival from the country allotted according to your roll no</p> <p>1-15. USA 16-30. VIETNAM 31-45. JAPAN 41-LAST ROLL NO - CHINA</p> <p>Make an attractive, colorful and illustrating project .</p> <p>Exhibition Topic: International Year of Glacier Preservation Focusing on environmental consciousness, students will present creative work that emphasizes the urgent need to protect glaciers:</p> <p>ROLL no 1 to 10 Write engaging riddles that reveal fun facts about glaciers and their ecosystems on cutouts of clouds .</p> <p>Roll no 11 to 20 Photo Reel: A visual presentation showcasing the importance and beauty of glaciers.</p> <p>Roll no 21 to 30 Themed Masks: Artistic masks representing the flora and fauna of glacial regions.</p> <p>31 to 40 Poems: On A3 size sheets write Thought-provoking and imaginative poems highlighting the role of glaciers in Earth's balance.The background of the sheet should be made using drip painting.</p> <p>41 to 50 Time Travel Journals: Creative narratives imagining life before and after glacier preservation efforts.</p> <p>51 to last roll no Fact File: Informative posters detailing global glacier facts and conservation measures.</p>
HINDI	<p>1. ग्लेशियर परियोजना कार्य (Project) चित्र सहित(1-10)</p> <p>मुख्य बिंदु</p> <ol style="list-style-type: none"> 1. ग्लेशियर क्या है ? 2. अंतर्राष्ट्रीय ग्लेशियर वर्ष का महत्व 3. ग्लेशियर के पिघलने का कारण 4. संरक्षण के उपाय <p>2. स्लोगन लेखन - ए-3 शीट पर (11-20)</p> <p>छात्र ग्लेशियर से संबंधित जागरूकता बढ़ाने वाले स्लोगन लिखें।</p> <p>उदाहरण स्लोगन:</p> <p>“बर्फ पिघली तो जीवन बदलेगा,</p>

अब समय है कुछ करने का!"

"ग्लेशियर हैं प्रकृति की शान

इनका संरक्षण है हमारा काम।"

"बर्फ की हर बूंद में है जीवन की सांस!"

"जलवायु बचाओ, ग्लेशियर बचाओ।"

3. पोस्टर बनाइए- ए-3 शीट पर(21-30)

छात्र एक पोस्टर बनाएँ जिसमें वे ग्लेशियर का चित्र बनाएं (उदाहरण: हिमालय की बर्फीली चोटियाँ, पिघलते ग्लेशियर आदि)।

चित्र के साथ एक छोटा संदेश लिखें जैसे:

"ग्लेशियर बचाओ, पृथ्वी बचाओ"

"अगर बर्फ पिघली, पानी कहाँ मिलेगा?"

4 कविता लेखन - ग्लेशियर बर्फ और पर्यावरण संरक्षण पर कविता चित्र सहित लिखिए(31-40)

छात्र ग्लेशियर पर एक छोटी कविता या तुकबंदी लिखें और उसके साथ उसका चित्र भी बनाएं।

उदाहरण:

सफेद चादर ओढ़े पहाड़,

ग्लेशियर करते धरती से प्यार।

पिघले तो होगा जल संकट,

बचाओ इन्हें, यही है विकल्प।

5. ग्लेशियर पर मॉडल बनाए (41-50)

6. शब्द पहेली/ शब्दावली बनाए-ग्लेशियर से जुड़े ए-3 शीट जैसे हिमनद, बर्फ ,जलवायु ,पर्यावरण, हिमालय ,नदी ,पर्यावरण(51-58)

पाठ -3 'बरसते जल के विभिन्न रूप'परियोजना कार्य (Project) चित्र सहित कीजिए(यह

	कार्य कक्षा के सभी विद्यार्थी करेंगे)
SANSKRIT	<p>किसी भी विषय पर आधारित गतिविधि बताए।</p> <p>(सन्धि - शब्दरूप - धातुरूप - प्रत्यय किसी पर भी)</p> <p>केवल एक बनाकर दिखाना है।</p>
MATHS	<p>Do all the assignments given and paste them in your math register.</p> <p>Learn tables 2 to 20</p> <p>Practice all the topics already done in the class.</p> <p>Exhibition work:</p> <p>The United Nations has declared 2025 as the International Year of Glaciers' Preservation. This initiative aims to raise awareness about glaciers, snow and ice, and the impact of their loss on the climate system. Glaciers and mathematics are intertwined through the study of their formation, movement, and the impact they have on the Earth's climate.</p> <p>To create awareness for the same among the students, the following work is allotted as holidays homework according to their roll numbers:</p> <p>ROLL NUMBERS</p> <p>1-12</p> <p>Make a 3D model of at least 20"x15" of a glacier showing its melting due to temperature rise. You can use paper mache/ cotton/ artificial snow etc. Write the information about different types of angles with figures on A3 sheet.</p> <p>13-24</p> <p>Mathematics in fashion: Design a beautiful dress using innovative & creative mathematical patterns of your size using newspaper, coloured paper, threads etc. Write any 5 numerical/figure based patterns on A3 sheet.</p> <p>25-36</p> <p>Make square tiles of same size, side 3cm each, to explain the concept of perimeter and area, using cardboard. Write information about how to calculate area & perimeter of square & rectangle of various sizes on A3 sheet.</p> <p>37-48</p> <p>Make a 3D model of an innovatively designed interior design of a building showing efficient use of space using eco-friendly material.</p> <p>https://youtu.be/YIAZRTCgfmo?feature=shared</p> <p>49 and above</p> <p>Collect data for after-effects of melting of Glaciers in last 20years on any of the following topics & represent in graphically on A3 sheet. Write details about data collection, different ways to represent data.</p> <p>Rise in water level</p> <p>Rise in average temperature of Earth</p> <p>Effect of tourism</p> <p>Aquatic life</p> <p>Glacier measurement</p>
	<p><u>INDIVIDUAL WORK</u></p> <ol style="list-style-type: none"> 1. Read Ch-3 and Ch-8 carefully. Prepare for your Unit Test. 2. Research and prepare a project on the topic 'Knowing your plants' in loose A4 size sheets as instructed below: <ul style="list-style-type: none"> • Page 1: Parts of flowering plant • Page 2&3: Root- Functions, Types, Modifications • Page 4&5: Stem- Functions, Types, Modifications

<p>SCIENCE</p>	<ul style="list-style-type: none"> • Page 6&7: Leaf- Functions, Venations, Modifications • Page 8&9: Flower- Parts, Functions • Page 10: Fruit- Functions • Page 11: Make a collage of plants found in the state Sikkim <p>Paste pictures/real samples or draw pictures wherever needed to make the filework presentable and beautiful.</p> <p><u>EXHIBITION WORK (GROUP PROJECT)</u></p> <p>3. Create the following models/project according to your roll number. Each model should have an informational brochure made on an A4 size sheet.</p> <ul style="list-style-type: none"> • Roll No. 1-11: Create a model showcasing glaciers before global warming and after it to highlight the factors affecting glaciers and their ecosystems. • Roll No. 12- 23: Develop a 2 meter photo reel (hardcopy) showcasing the majestic beauty of glaciers and highlighting their significance in maintaining Earth's climate and freshwater resources. • Roll No. 24-35: Craft 2 models (clay/paper mache) representing animals and plants that inhabit glacial regions, such as snow leopards, polar bears, and alpine flowers. Use these masks to educate visitors about the species' adaptations to cold environments. • Roll No. 36-47: Create a 2D/3D model that reflects the delicate balance of ecosystems supported by glaciers. Emphasize themes like water cycles, climate stability, and the interconnectedness of life. • Roll No. 48-58: Design 5 informative posters that present key facts about glaciers, their current status, and conservation efforts. Include actionable steps individuals can take to help preserve glaciers.
<p>SST</p>	<ul style="list-style-type: none"> • Students will do the given holidays homework on the basis of their roll numbers • DO THE HOLIDAYSHOMEWORK IN A CREATIVE AND UNIQUE WAY. <p>Know Your Glacier (Research & Write)</p> <p>For roll no (1-10)</p> <p>Choose any one famous glacier (e.g., Siachen Glacier, Gangotri Glacier or any other Glacier) and prepare a report covering the points mentioned below:-</p> <ul style="list-style-type: none"> • Where is it located? • What is special about it? • Why is it important? • Is it melting? If yes, why? <p>Include a picture or draw it. Use your creativity and imagination to make your research work more informative.</p> <p>Do the above work on an A3 size sheet.</p> <p>“Save the Glaciers!” Poster Campaign</p> <p>For roll no (11-20)</p>

- Design and create a poster with a suitable slogan
- You may include slogans like:-
 - “Keep it cool: Save glaciers!”
 - “Stop global warming before it’s too late!”
 - “Glaciers are melting. Are you watching?”

To be done on A-3 size sheet.

“Build-a-Glacier”(Craft/Model making)

For roll no(21-30)

Create a 3D model of a glacier.

Materials: Clay, cotton, paper, cardboard, paint, plastic bottles, etc.

- Make a simple model showing a mountain with a glacier
- Label it's different parts.

Glacier Pledge

For roll no(31-40)

Each student writes a personal “Glacier Protection Pledge”, listing 3 actions they will take to help the environment..

To be done on a A-4 size sheet

Research assignment

Roll no (41-till last roll no.)

Prepare a one page research work covering the points given below:-

- Name one Glacier that is melting rapidly.
- What is the impact of the melting on local environment and people.
- Suggest one solution to help protect this glacier.

To be done on A-3 size.

Paste or draw a picture also of that Glacier

Ch-9 The life of early man

To be done by all the students in their SST project file

Stone Age Journal (Creative Writing)

Each student will write a short “journal” from the perspective of an early human/ early man

They may include:

- A day in their life, what they ate, where they lived, what dangers they faced.
- Illustrations / Drawing of tools, clothing, and hunting methods of early man

COMPUTER	<p>Make a poster on International year of Glaciers preservation on Canva. Bring the coloured printout of the same.</p>
ECO CLUB	<ul style="list-style-type: none"> Newspaper Weave Baskets:- Roll newspaper pages into sticks, weave them into a basket shape, and decorate. <div data-bbox="277 432 970 817">  </div> <div data-bbox="970 416 1377 817">  </div>
ART	<p><u>FACE MASK</u> (craft, 3 Dimensional) Theme : Nature/ Supporting environment SIZE - A4 Material Required: * Waste material * Colors * Boxboard / cardboard * Paperclay</p>
