CLASS _____

Dear Parents,

Finally, the much-awaited summer vacation is here!

It's a great time for you to cherish the little joys of your child. It's important to limit and supervise the screen time.

Things you can do with your kids !

- Engage in meaningful conversations every day.
- Encourage to read a variety of storybooks.
- Assign small household responsibilities to help them become independent.
- Practice humble & helpful behaviour & respect elders yourself to teach them the importance of moral values in their lives.
- Participate in various indoor games with them.

Please take note:

- Prepare a systematic timetable and follow it religiously from the very first day.
- Allow them to complete their homework on their own under your guidance. The objective of this 'summer holiday fun capsule' is to empower our students to work independently and foster well rounded development.

Remember to capture the fun moments while engaging in the given activities and paste them in a scrap book!
(One scrap book for pictures of all the activities) .

Make a creatively decorated folder of hand made /pastel sheet to compile all the sheets of the
Holiday Fun Capsule !

A little act of kindness this summer !

This summer, spread kindness with a smile!

Set up a small "Water Corner" outside your house and offer cool water or a refreshing drink to travelers, helpers, delivery staff, guards, and passersby.

A single glass of water in the hot sun can make someone feel cared for and refreshed. 

Decorate your counter with cheerful messages like:
"Take a sip, stay cool!" or "Kindness begins with water."

Let's become little kindness ambassadors and make this summer cooler for everyone!  

Do not forget what India gave to the world!

Mission Delhi Darshan

Visit at least two *historical places* and two *famous gardens/theme parks in Delhi* with your family. Click photographs, collect memories, and create a beautiful album/ scrap book. Write one interesting fact about each place in the scrap book.

You may like to visit to discover Delhi

- Red Fort
- Qutub Minar
- Humayun's Tomb
- India Gate
- Purana Qila

- Garden of Five Senses
- Lodhi Garden
- Theme parks
- Bharat Darshan
- Waste to Wonder Park

Curiosity is the spark of discovery.

Tickle your brain

TRY THESE WITH YOUR PARENTS

1. Put off candle without blowing it.
2. Move water from one glass to another without touching the glasses
3. Lift bits of paper with a balloon without touching them.
4. Feather or stone which falls faster.
5. Balance any object on a paper bridge.

Click pictures while doing these and paste print outs in the scrap book.

Kitchen to Cows 🌱 🍋

- Segregate with care, share what's fair.
- Edible peels for the cows, clean surroundings for all.

Activity: Seed to Tree Mission 🌱 🍋

Don't throw away the seeds of seasonal fruits!
Wash them, dry them, and sow them in a park or by the roadside.
Water them whenever you can.
One tiny seed can grow into a big tree someday — giving cool shade, fresh fruits, clean air, and a happy home to birds and animals. 🌳 🐦

CREATIVE CORNER !!

Literacy Creative work ! Please note that only one is to be done by each child, either English or Hindi as mentioned according to your Roll No.

English Word wheel

Make a wheel for the sound blend mentioned for you (refer to the image given along side)

Roll No.	Sound Blend
4-6	oo
10-12	ch
16-18	sh
22-24	Th
28-30	ss
34-36	ck
39-40	ng

Follow These Instructions

- * Refer to the textbook for the words.
- * The wheel should be of the size of a full plate.
- * It should be stiff and firm on a wooden stand.
- * It should be able to spin (use a nut and bolt).
- * Make using bright colours.
- * Write words in print form, like the children write in their notebooks (no capital letters).
- * The sound blend should be mentioned in the centre circle and the words will come on the side segments.

Mathematics

'MATH MAGIC GAMES'

Your teacher has shared an amazing idea and video on your class group to create a game that would be fun to create, play and practice some concepts.

GO On! create a beautiful one with the help of your parents.

Hindi

रंग-बिरंगे कागज़, गत्ते और गोंद की मदद से मात्राओं का सुंदर वृक्ष बनाना है।

समझो क्या करना है

एक बड़ा पेड़ बनाओ (12 इंच का)। उसकी पत्तियों पर मात्राओं से बने शब्द लिखने हैं।

किसे कौन सी मात्रा मिली है वो रोल नंबर से तय होगा:

Roll No.	मात्रा	उदाहरण शब्द
1-3	ई	नदी, चीनी, पानी
7-9	उ	गुलाब, सुबह, चुप
13-15	ऊ	ऊन, भालू, जादू
19-21	ए	केला, मेला, चेहरा
25-27	ऐ	मैना, पैसा, बैल
31-33	ओ	सोना, तोता, घोड़ा
37-38	औ	नौका, पौधा, चौकी

कैसे बनाएं:

1. ब्राउन चार्ट पेपर से पेड़ का मोटा तना और डालियां काटकर चिपकाओ।
2. हरे, पीले, लाल कागज़ से पत्तियों के आकार काटो। हर पत्ती पर अपनी मात्रा का शब्द मोटे मार्कर से लिखो।
3. पत्तियों को डालियों पर गोंद से चिपका दो। नीचे घास, फूल भी बना सकते हो।
4. पेड़ के नीचे अपना नाम, कक्षा और रोल नंबर जरूर लिखना।

(अगर 7-8 पत्ती हर मात्रा की लगाओगे तो पेड़ बहुत भरा-भरा और सुंदर लगेगा।)
